

Release Date: 12-31-2020

American Funds NVIT Growth-Income Fund — Class II

Investment Strategy from investment's prospectus

The investment seeks long-term growth of capital and income. The fund invests all of its assets in the Class 1 shares of the Growth-Income Fund (the "Master Growth-Income Fund"), a series of the American Funds Insurance Series, a registered open-end investment company. The Master Growth-Income Fund invests primarily in common stocks or other equity-type securities, such as preferred stocks, convertible preferred stocks and convertible bonds, that the investment adviser believes demonstrate the potential for appreciation and/or dividends.

Category Description: Large Blend

Large-blend funds have portfolios that are fairly representative of the overall U.S. stock market in size, growth rates, and price. They tend to invest across the spectrum of U.S. industries, and owing to their broad exposure, the portfolios' returns are often similar to those of the S&P 500 Index.

Volatility Analysis

In the past, this investment has shown a relatively moderate range of price fluctuations relative to other investments. This investment may experience larger or smaller price declines or price increases depending on market conditions. Some of this risk may be offset by owning other investments with different portfolio makeups or investment strategies.
