Invesco Oppenheimer V.I. International Growth Fund — Series II

Investment Strategy from investment's prospectus

The investment seeks capital appreciation. The fund will invest at least 65% of its total assets in equity securities of issuers that are domiciled or that have their primary operations in at least three different countries outside of the United States and may invest 100% of its total assets in foreign companies. It mainly invests in "growth companies," which are companies whose earnings and stock prices are expected to increase at a faster rate than the overall market. The fund may invest up to 25% of its total assets in emerging markets. It can also use derivative instruments, such as options, futures, forwards and swaps.

Past name: Oppenheimer International Gr VA Svc.

Category Description: Foreign Large Growth

Foreign large-growth funds focus on high-priced growth stocks, mainly outside of the United States. Most of these funds divide their assets among a dozen or more developed markets, including Japan, Britain, France, and Germany. They tend to invest the rest in emerging markets such as Hong Kong, Brazil, Mexico and Thailand. These funds typically will have less than 20% of assets invested in U.S. stocks.
